

Planning to Change the World

A PLAN BOOK FOR SOCIAL JUSTICE TEACHERS 2008-2009

Planning to Change the World is a plan book for educators who believe their students can and will change the world. It is designed to help teachers translate their vision of a just education into concrete classroom activities. This unique resource has all the things you would expect in a lesson plan book plus:

- Weekly planning pages packed with social justice birthdays and historical events
- Lesson plans and resources related to those dates
- Tips from social justice teachers across the country
- Inspirational quotes to share with students
- Thought-provoking essential questions to spark classroom discussions on critical issues
- Reproducible social justice awards for students and much more

... an imaginative and innovative idea in the field of education. It is something that teachers all over the country who have social consciences will find useful because it will give them an opportunity and a framework for putting into practice what they believe. I hope it will be widely adopted.
